

## KS2 RE Activity 2

### Week 3: Our Medical Heroes

This week we will be completing activities around 'Our Medical Heroes'. This could be doctors, nurses, physiotherapists, occupational therapists or health care workers.

Write a thank you letter for an NHS worker in your family or family friend. Think about what you are thanking them for and including how their actions make you feel. Use the thoughts you discussed with your family during activity 1 when reflecting on what NHS workers do to support others.

Note to parents:

This is a RE based activity. The aim is for the children to further reflect on the kind actions others do to support and help the people within our communities. Allowing ourselves to live healthier, safer lives.
