

# Captain Scott's Diary

Imagine you are Captain Scott. You are returning from the South Pole after being beaten to it by the Norwegian explorers. You have to make the 800 mile journey back to your ship. Think about: What are they using to travel? How does he feel? What was the weather like? What will he need to do next?

19 January 1912

We still cannot believe that we were beaten to the south pole. We feel \_\_\_\_\_
