

Book Review Activity

1. Write a 500 word review on the book you have just read.
 - What happened?
 - Did you enjoy the book? Why?

2. How would you change the story? Would you do anything different? Your task is to be as creative as you can to create the next chapter of the story.

All your work needs to be handed in. The presentation of your work needs to be excellent. And completed on A4 paper. Use colours for your creative work.

3. Take a look at the existing book cover for the book you have just read. Your task is to make the book cover more suited for the book. You can edit it on a computer or you can design it on paper however it must represent the book.

4. Write a formal letter to the creators of the movie. Either make a complaint to the creators explaining about the things you didn't like or write a letter complementing the creators on how well they have done and your ideas about a next film. (this letter will be assessed like an exam.)
