Marshmallows

Bar of chocolate in squares

Graham Crackers or Digestive Biscuit

Method:

1. Attach 1 to 4 marshmallows on a BBQ skewer or stick.
2. Place the skewer near the fire to roast the marshmallows. (You could use a tea light to do this rather than a fire.)
3. Place 2 pieces of chocolate squares in the cracker or biscuit.
4. Remove the marshmallows from the stick.
5. Place the marshmallows on top of the chocolate squares
6. Cover with another cracker or biscuit then enjoy!
