Activity

Your Community Heroes are working hard to keep you safe and happy. Give them a big hero high five with this simple hand printing activity.

This activity encourages children to be creative and use materials to celebrate their Community Heroes. Please encourage the pupils to collect their own equipment where possible.

1. Make a hand print using paint on a piece of paper
2. Draw your Community Heroes on each fingertip (e.g. Police officer, Fire officer, Doctor, Nurse, Teacher)
3. Repeat with as many hand prints as you like for all your Community Heroes
