Activity

This is a fun activity designed to encourage children to play in small groups and practise turn-taking.

1. Print off Superhero board game template and challenge cards or if you're feeling really creative draw your own.
2. Think of some challenges or actions to do if you land on certain spaces. Ideas could be; move forward 2 spaces, miss a go, do 10 star jumps, hop like a bunny, move back 2 spaces, have another go.
3. Play and have fun!
