

## EYFS/KS1 Home Learning

### Creative Egg Box

#### Activity 1

##### Things you will need

- Empty egg box
- White paper
- Scissors
- Glue
- Nature found in your garden eg grass/ twig/ leaf

All equipment can be swapped for something else that is similar based on what you have at home.

##### Activity

Your Garden is an amazing place to do some learning and have some fun

This activity encourages pupils to notice what is in their garden and look at the shapes, colour and texture of them. Please encourage the pupils to collect their own equipment where possible.

1. Take your empty egg box and cut out a piece of white paper to cover the top of the box, stick it don with your glue
2. Make a grid shape on your white paper
3. In each section of the grid, draw something you may find in your garden. Eg twig, leaf, grass, flower, feather

4. Go out into your garden and see if you can collect each of the objects you have drawn and place them in your egg box.

5. Do your objects have a texture? A smell? What colour are they? How do they feel in your hand? Can you use some words to describe them?
