

**EYFS/KS1 Home Learning**  
**Days of the Week number hunt**  
**Activity 1**

**Things you will need**

- Number checklist
- To keep your eyes peeled!

All equipment can be swapped for something else that is similar based on what you have at home.

**Activity**

This week go on a number hunt and use each day to find a different number from 1 to 5!

This activity focuses on number recognition from 1 to 5.

1. Make a simple tally chart for the numbers 1 to 5
2. Mark the days of the week from Monday to Friday on your chart
3. On Monday, look for the number 1 everywhere you go. Do you see any in your kitchen? In your bedroom? Your books? On your daily walk? Each time you see the number 1 mark it on your Tally chart.

4. On Tuesday look for the number 2. Continue on Wednesday, Thursday and Friday with the numbers 3, 4 and 5.

5. At the end of the week count up which number you saw the most of!
