

## EYFS/KS1 Home Learning Project

### Week 4: Bees

This week we will be completing activities around Bees. Bees are very important to us as they pollinate a lot of the fruits and vegetables that we eat.

Activity 1	Activity 2
<p>Using chalk, a felt tip or pencil make patterns like a bee flying around from flower to flower.</p> <p>Note to parents: This is an activity designed to improve pencil control and fine motor skills.</p> 	<p>Using the inside of a kitchen roll make a little buzzy bee.</p> <p>Note to parents: This is an arts and crafts based activity and you can use any items you have in your home to make it work!</p> 
Activity 3	Activity 4
<p>Listen to the piece of music 'The flight of the Bumblebee' Create your own dance or pretend to be a busy Bee and flap your 'wings' move to the music. You could draw a picture of how it makes you feel.</p> <p><a href="https://www.youtube.com/watch?v=rO9mKuBpBXI">https://www.youtube.com/watch?v=rO9mKuBpBXI</a></p> <p>Note to parents: This is an expressive arts activity which allows the children to represent their own ideas, thoughts and feelings through art, music and dance.</p> 	<p>Bees are famous for making delicious honey. Follow the recipe below to make some tasty honey biscuits for yourself and your family.</p>  <p>honey-biscuit-recipe.pdf</p> <p>Note to parents: This is a fantastic, simple recipe to teach children about measurements and how to follow instructions. It also gives them the opportunity to try new foods.</p>
