

Fine Motor Skills Activity 4

Things you will need

- Kitchen towel inner cardboard tube.
- Scissors.
- Coloured paper clips.
- Googly eyes.
- Glue.

Activity

This activity is to develop finger strength and hand eye coordination.
Please encourage the pupils to collect their own equipment where possible.

1. With help if you need it cut the cardboard tube into strips.
2. Glue on the googly eyes if you have them or you can draw on eyes.
3. Gently open the paper clip and push it onto the cardboard.
4. You could try to make a pattern using the different colours.
