

KS2 Emotions Activity 9

You will need:

- A partner.
- Pens, pencils, colouring pencils or play-dough.

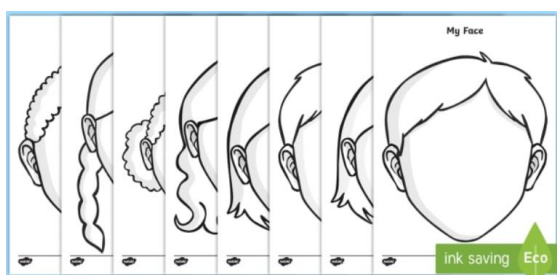

Step 1

Print and cut out the emotions cards (Emotion Activity 9 Part 2)

Step 2

Print out the blank face templates (Emotion Activity 9 Part 3)

Step 3

One player picks up an emotions card and tries to act out how the person feels. The other player uses the blank faces and either draws the emotion or models it out of play-dough.

Step 4

Swap roles so both players get a chance to act and draw/model.
