Fine Motor Skills Activity

Things you will need

- Cardboard tube.
- Felt tip pens or crayons.
- Children's scissors.
- Various craft pieces maybe googly eyes ,ribbon, wool etc.

Activity

This activity is to practice hand eye coordination and fine motor skills.
Please encourage the pupils to collect their own equipment where possible.

1. Colour the top part of the tube this will be the hair . make it as colourful as you like.
2. Draw a face below where you have coloured the hair.
3. Hold the tube at the end which is not coloured in .
4. Using your scissors make lots of cuts into the tube where you have coloured.
5. When you made cuts all around then bend over the strips of card to make spikey or curly hair.
6. You may like to decorate your figure with sequins, bows or glitter.

Perhaps you could make lots of people and give them names !
