

## EYFS/KS1 Home Learning

### Fine Motor Skills Activity 6

#### Things you will need

- A selection of pegs.
- Paper or card.
- Felt tip pens or paint.

All equipment can be swapped for something else similar based on what you may have at home.

#### Activity

This activity is to practice hand eye coordination and fine motor skills particularly developing the pincer grip. Please encourage the pupils to collect their own equipment where possible.

1. Paint or colour lots of different coloured semi-circles around the edge of your paper or card.
2. If you are using plain wooden pegs paint or colour small dots onto them.
3. Choose a peg.
4. Using your thumb and finger squeeze the peg and match it to the same colour on your paper or card. When you have found the same colour peg it on.

Can you go outside and find other objects you colour match. Maybe you can find some petals and match them to your coloured pegs?
