

EYFS/KS1 Home Learning

Homemade Imagination Garden

Activity 2

Things you will need

- Coloured paper
- Scissors
- Glue
- Paint
- Empty box
- Lolly sticks or straws

All equipment can be swapped for something else that is similar based on what you have at home.

Activity

Your Garden is an amazing place to do some learning and have some fun

This activity encourages pupils to create their own garden using their imagination of what they may find or like to see in a garden. Please encourage the pupils to collect their own equipment where possible.

1. Take your empty box and paint it green (or whatever colour you would like the ground to be in your garden!)
2. Cut out some shapes of flowers, grass, plants, trees or anything you would like to grow in your garden

3. Attach your plants etc to the lolly sticks or straws and glue them to your box

4. Can you name the plants and flowers you choose to grow in your imagination garden?
