

KS2 English Activity

Week 2: Our Great Outdoors

This half term we will be completing activities based on our theme of 'Our Great Outdoors'. This week our focus is on our gardens! We hope that you manage to get out in your garden and enjoy the nice weather. If you could ask your parents to e-mail pictures of your fabulous work to your class teacher so that it can be shared in the newsletter it would be greatly appreciated.

Using sticks, stones and other materials you find in the great outdoors, can you spell your name? Try and spell the names of people in your family too. Remember names start with a capital letter.

Note to parents:

This is an English based activity. The aim is for the children to use materials they find such as sticks, stones and leaves to spell their own name and other family members names. The aim is on the children's letter formation. In order to support your child, you may need to write the names on a piece of paper allowing them to copy the letter formation.
