

KS2 English Activity

Week 3: Our Medical Heroes

This week we will be completing activities around 'Our Medical Heroes'. This could be doctors, nurses, physiotherapists, occupational therapists or health care workers.

Draw a picture of a Medical Hero, can you write words around the medical hero to describe them. Why not try and write a sentence about the medical heroes, explaining everything they do to help and why they are a hero.

Note to parents:

This is an English based activity. The aim is for the children to both think of descriptive language as well as develop their writing skills. The children may require support with their writing. This can be done by discussing the words with your child then you writing them to be copied from a piece of paper or written in a light coloured pen or pencil to be 'overwritten'.
