

KS2 English Activity

Week 2: Our Great Outdoors

This half term we will be completing activities based on our theme of 'Our Great Outdoors'. This week our focus is on our gardens! We hope that you manage to get out in your garden and enjoy the nice weather. If you could ask your parents to e-mail pictures of your fabulous work to your class teacher so that it can be shared in the newsletter it would be greatly appreciated.

Use the worksheet to follow your senses to find all the things on the list in the great outdoors. Remember your five senses are touch, taste, smell, sight and sound.

Note to parents:

This is an English based activity. The aim is for the children to write the things they find using their senses. The children may need support in differentiating and using their senses, this is fine, the main aim is for the children to develop their writing skills. The children may require you to write the word down for them to copy on a piece of paper or to 'overwrite' using a yellow pen for your child to write over.

Our Great Outdoors "English Week 2 - Activity 2 Resource" can be found under the KS2 English Tab" on the website.
