

KS2 English Activity

Week 3: Our Medical Heroes

This week we will be completing activities around 'Our Medical Heroes'. This could be doctors, nurses, physiotherapists, occupational therapists or health care workers.

Write a letter to your our medical heroes, writing about all the things they do for you to help and how important they are. Say thank you to our medical heroes for all the important work they do.

Note to parents:

This is an English based activity. The aim is for the children to write a few sentences or a letter to our Medical Heroes to thank them for all their hard work. This activity will focus on the children using capital letters and full stops throughout their letter, they may require support when writing the sentences. Either through copying sentences you have written on a piece of paper or written in a light coloured pen or pencil to be 'overwritten'.
