

## KS2 Food Technology Activity

### Week 5: Our Great Outdoors

This half term we will be completing activities based on our theme of 'Our Great Outdoors'. This week our focus is on "Our Countries" so we will be focussing on Spain! We hope that you manage to get outside and enjoy the nice weather. If you could ask your parents to e-mail pictures of your fabulous work to your class teacher so that it can be shared in the newsletter it would be greatly appreciated.

Can you create Magdalena's? Magdalena's are Spanish cupcakes. With the help of an adult follow the recipe.

Note to parents:

This is a Food Technology based activity. The aim is for the children to follow the recipe with support in order to create Magdalena's.
