

KS2 Home Learning Project

Week 4: Bees

This week we will be completing activities around 'Bees'. Bees are amazing insects and do so much for nature as well as making delicious honey. Why not complete some bee-themed activities a try our yummy honey-themed recipes this week?

Activity 1	Activity 2
<p>Honey is delicious as a topping over porridge, toast or pancakes. Watch our short video explaining how bees make honey and have a go at making some pancakes and drizzles some yummy honey on top?</p> <p>Note to parents: This activity focus on where honey comes from and the process behind getting the honey from the hive to the shop. For older children you could talk to your child about the manufacturing process and research how other foods are made.</p> <p>How do bees make honey? https://www.youtube.com/watch?v=uES_6Clgle0</p>	<p>Flapjacks are a tasty treat that can be easily adapted to suit the preference of the person making them by adding fruit or chocolate chips. These honey flapjacks are a fantastic sweet treat. Remember to be safe in the kitchen and wash your hands</p> <p>Note to parents: This is a good opportunity for children to practice their weighing and measuring skills.</p> <p>Hand washing video https://www.youtube.com/watch?v=S9VjeIWLnEq</p> <p>Kitchen safety https://www.youtube.com/watch?v=DoSq9T6OejA&t=9s</p>
Activity 3	Activity 4
<p>Have a go at making some biscuits using honey. You could even decorate them to look like a bee.</p> <p>Note to parents: This is another opportunity for weighing and measuring skills to be developed as well as the skill of following a recipe, Encourage your child to give directions and be the head chef.</p> <p>Kitchen safety https://www.youtube.com/watch?v=DoSq9T6OejA&t=9s</p>	<p>Honey sandwiches are quick and easy to make and can be a great snack or lunch. Follow our step by step guide to making your own.</p> <p>Note to parents; The step-by-step sequence is really easy for younger children to follow. This activity will help develop basic kitchen skills such as spreading, cutting and following a recipe.</p>
