

KS2 History Activity

Week 2: Our Community Heroes

This week we will be completing activities around 'Our Community Heroes'. This could be police officers, firefighters, and road safety officers.

Cut out the pictures of our community heroes. Match the equipment, resources and modes of transport to each of the community heroes.

Note to parents:

This is a History based activity. The aim is for the children to develop their understanding of the equipment, resources and modes of transport that different community heroes use.

Community Heroes cards can be found under the "History Tab" on the website.
