

KS2 History Activity

Week 2: Our Great Outdoors

This half term we will be completing activities based on our theme of 'Our Great Outdoors'. This week our focus is on our gardens! We hope that you manage to get out in your garden and enjoy the nice weather. If you could ask your parents to e-mail pictures of your fabulous work to your class teacher so that it can be shared in the newsletter it would be greatly appreciated.

Using sticks, logs and other materials you may find in your garden, can you build a den like our hunter gatherer ancestors would have sheltered in? Once you have built a sturdy frame, use a sheet to provide you and your friends with shelter. Remember to ask an adult if it is OK to use or borrow any items from your garden or home.

Note to parents:

This is a History based activity. The aim is for the children to use materials they find such as sticks, stones and leaves to build a den similar to those that our hunter gatherer ancestors would have sheltered in.
