

## KS2 History Activity

### Week 3: Our Great Outdoors

This half term we will be completing activities based on our theme of 'Our Great Outdoors'. This week our focus is on mini-beasts! We hope that you manage to get outside and enjoy the nice weather when hunting for creepy crawlies. If you could ask your parents to e-mail pictures of your fabulous work to your class teacher so that it can be shared in the newsletter it would be greatly appreciated.

Cut out the pictures of the mini-beasts. Look at the features of each mini-beast. Use the classification grid to answer questions about each mini-beast and find its correct location on the classification grid.

Note to parents:

This is a history based activity. The aim is for the children to look at the different features of the mini-beasts and to be able to classify them into different categories through identifying their stereotypical features.

A classification resource can be found under the "History Tab" on the school website.
