

KS2 History Activity

Week 4: Our Great Outdoors

This half term we will be completing activities based on our theme of 'Our Great Outdoors'. This week our focus is on bees! We hope that you manage to get outside and enjoy the nice weather. If you could ask your parents to e-mail pictures of your fabulous work to your class teacher so that it can be shared in the newsletter it would be greatly appreciated.

Use the internet and your own knowledge to write about the life cycle of a bee. See if you can find out any historical information about bees such as when they were first discovered.

Lifecycle of a Bee

Bee Drawing	Different Bees

Note to parents:

This is a History based activity. The aim is for the children to research information about bees and create a fact file for them.

A fact file template resource can be found under the "History Tab" on the school website.
