

KS2 History Activity

Week 4: We are Heroes!

This week we will be completing activities around our topic of “We are Heroes!” We acknowledge how well the students have coped with the changes to their routines and how they have been respecting the advice of staying at home and helping to keep everyone safe.

We have been looking at timelines over the past few weeks. Now you are going to think about all the events in your lifetime. Try to organise these events into your very own timeline, you may wish to start with the day you were born.

Extension Activity:

Design a picture of yourself as a superhero, you can use the template to help you or start from scratch on a blank piece of paper. Think of all the things you are good at, these could be your superpowers; this might include kindness or helpfulness.

Design a Superhero
Give them a name, a costume and some super powers!

Note to parents:

This is a History based activity. The aim is for the children to understand the concept of timelines and construct a timeline of their own lifetime.

We are Heroes “timeline template and design a superhero” can be found under the “History Tab” on the website.
