

KS2 History Activity

Week 3: Our Medical Heroes

This week we will be completing activities around 'Our Medical Heroes'. This could be doctors, nurses, physiotherapists, occupational therapists or health care workers.

Look at the information in the 'NHS Information PowerPoint'. Choose one of the 'Timeline templates' and create a timeline for the NHS, you can use the timeline on the PowerPoint to help you.

Extension Activity

Colour in the NHS rainbow, and if you want to you can display this in your window to brighten up the day for all our NHS workers who pass your house.

Note to parents:

This is a History based activity. The aim is for the children to develop and understanding of the NHS and create a timeline to represent significant events for the NHS.

Medical Heroes "NHS Information PowerPoint, Timeline Templates and NHS Rainbow" can be found under the "History Tab" on the website.
