

KS2 History Activity

Week 4: We are Heroes!!

This week we will be completing activities around our topic of “We are Heroes!” We acknowledge how well the students have coped with the changes to their routines and how they have been respecting the advice of staying at home and helping to keep everyone safe.

Think about all the information you have put into the timeline of your life. You are now going to use this information to create a fact file all about yourself! Think about what year you were born, where you have lived, where you go to school as well as any other interesting facts about yourself.

The image shows a fact file template. It consists of three main sections: a large vertical box on the left with horizontal lines for writing, a smaller vertical box on the right, and a wide horizontal box at the bottom with horizontal lines. There are also small logos at the bottom of the page.

Note to parents:

This is a History based activity. The aim is for the children to understand the concept of a fact file and be able to use and interpret important information.

We are Heroes “fact file template” can be found under the “History Tab” on the website.
