

## KS2 History Activity

### Week 2: Our Community Heroes

This week we will be completing activities around 'Our Community Heroes'. This could be police officers, firefighters, and road safety officers.

Carry out an internet search and research the different buildings that our community heroes work in (e.g. Police Stations, Fire Stations). Compare the similarities and differences between the old buildings and the modern buildings.

Build your own model buildings using construction toys (Lego, Duplo or blocks) and send a picture of your creation to your class teacher.

#### Note to parents:

This is a History based activity. The aim is for the children to develop their understanding of the similarities and differences between the old and modern buildings that our community heroes operate within.
