Week 2: Our Great Outdoors

This week we will be completing activities with the focus being on "Our Gardens." This is your chance to explore your garden (following social distancing guidelines) to see what you can learn!

Activity 1	Activity 2
<p>Go on a walk in your garden and write or draw some of the things you hear, see, smell, touch and taste.</p>  <p>The Five Senses</p> <p>Taste: A girl eating an apple.</p> <p>Sight: A girl looking through binoculars.</p> <p>Touch: A boy touching a dog.</p> <p>Hearing: A girl listening to music.</p> <p>Smell: A boy smelling flowers.</p> <p>Note to parents: This is a RE based activity. The aim is for the children to develop their understanding of their senses and an appreciation for the world around them. Please send any pictures to your child's class teacher so that they can be shared in the weekly newsletter.</p>	<p>Collect natural materials in your garden. Can you arrange the materials to spell your name?</p>  <p>Note to parents: This is an English based activity. The aim is for the children to practise spelling their name or writing sentences in a creative way. Please send any pictures to your child's class teacher so that they can be shared in the weekly newsletter.</p>
Activity 3	Activity 4
<p>Collect materials in your garden to build a den!</p>  <p>Note to parents: This is a history based activity. The aim is to give the children an understanding of the types of shelter our hunter gatherer ancestors may have lived in. Please send any pictures to your child's class teacher so that they can be shared in the weekly newsletter.</p>	<p>Collect natural materials in your garden. Can you arrange leaves, sticks, twigs and petals to form a piece of artwork in the style of the British artist Andy Goldsworthy?</p>  <p>Note to parents: This is an art based activity. The aim is for the children to develop their understanding of the type of artwork created by the British artist Andy Goldsworthy. Please send any pictures to your child's class teacher.</p>
