

## KS2 RE Activity

### Week 4: We are Heroes

This week we will be completing activities around our topic of “We are Heroes!” We acknowledge how well the students have coped with the changes to their routines and how they have been respecting the advice of staying at home and helping to keep everyone safe.

Draw a picture of yourself and reflect on all of your positive qualities which help make you a hero at home. For example, are you kind at home? Do you help the rest of your family at home when you can? Are you well behaved?

You could ask the people you live with for an example of when you have shown one of these qualities to help with your reflection.

Note to parents:

This is a RE based activity. The aim is for the children to think and reflect upon their own personal kind actions they do to potential help themselves and others at home. Using a fun based activity to help them acknowledge the good in their actions and potentially motivate them keep up/increase their positive behaviour.
