

## KS2 RE Activity

### Week 2: Our Community Heroes

Read the questions about each of the different community heroes. Share your answers with members of your family. Take a moment to think about and reflect upon the work of our community heroes.

What jobs have you seen people do today?

What do firefighters do?

Note to parents:

This is a RE based activity. The aim is for the children to think about and reflect upon the kind actions of others so that we can live safely in our society.

Community Heroes question cards can be found under the "RE Tab" on the website.
