

KS2 RE Activity

Week 4: We are Heroes

This week we will be completing activities around our topic of “We are Heroes!” We acknowledge how well the students have coped with the changes to their routines and how they have been respecting the advice of staying at home and helping to keep everyone safe.

See if you have any hero books/magazines at home or online you can read. Think about what traits these heroes show and how? Traits such as being kind and helping others, then reflect on how you could show the same traits at home.

Afterwards, watch this video on YouTube to help reflect on the behaviours you can show to be a hero at home:

<https://youtu.be/1LoaSLRPXY4>

Note to parents:

This is a RE based activity. The aim is for the children to further reflect on their own actions and traits they do at home to help themselves and others. Taking part in a fun based activity to think about the common characteristic which all heroes share, ‘helping others’. Therefore allowing the children to reflect on how they can be a hero at home as not all heroes wear capes.
