

Labelling a plant

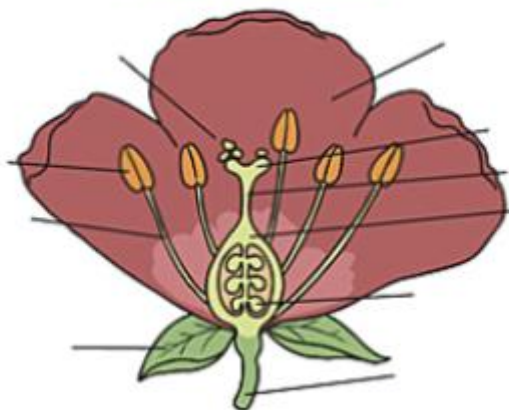

What you will need;

- A flower/ plant
- Piece of paper
- Pen or pencil

Activity:

1. Can you find a flower from your garden or on your daily walk?
(Remember to ask an adult before picking flowers)
2. Use the flower you have collected and stick it on to a piece of paper
3. Can you label the different part of the plant/ flower?
4. Challenge: Can you label the different parts of 2 other plants or flowers?

Parts of a Flower

Remember to take photos and send them to your teacher!
