

EYFS/KS1 Home Learning

Leaf peg counting

Activity 1

Things you will need

- Leafs (real ones or drawings)
- Scissors
- Pegs
- Felt tip

All equipment can be swapped for something else that is similar based on what you have at home.

Activity

Collect some leaves from your garden or on your daily walk and see if you can attach the correct amount of pegs to each one!

This activity is to practice fine motor skills and grip and numeracy skills. It encourages children to be creative and use materials to from the natural world to count

1. Collect some leaves from your garden or on your walk. You could even draw some leaves if you prefer.
2. Write a number from one to 10 on each leaf
3. Attach the amount of pegs to each leaf to match the number. Eg 3 pegs on the number 3 leaf.
