> Make a bird kebab

No, no, not kebabs made out of birds! Create a yummy kebab, hang it up outside, and hang on for your feathered friends to come flocking for lunch.

## You will need

- Apples
- Bread
- Hard cheese  
(cut all of the above into cube-sized pieces)
- Raisins
- Floral wire
- String

## Step-by-step guide

1

Carefully thread each piece of food on the floral wire, leaving about 8cm at either end. Bend the ends into little hooks.

2

Bend the wire to form a circle, holding the ends together.

3

Tie a loop of string on the wire circle and hang your scrumptious kebab up for the birds to feast on.
