

EYFS/KS1 Home Learning

Medical Heroes make your own kit activity

Activity 2

Things you will need

- Coloured paper
- Pens
- Plasters
- Cotton Bud
- Bandage
- Cotton wool

All equipment can be swapped for something else that is similar based on what you have at home.

Activity

Your Medical Heroes are working hard to keep you safe and happy. Learn about the important work they do to help by making your very own emergency kit bag.

This activity encourages children to be creative and use materials to celebrate and learn about their medical Heroes. Please encourage the pupils to collect their own equipment where possible.

1. Draw the outline of an open medical kit bag on some coloured paper and cut out.

2. Stick your very own medical kit inside. You can choose anything you think would be important to help you and others!
