### PSHE Activity 6

#### Things you will need

- Flower pot
- Stones
- Twigs
- Small pieces of bark
- Dried leaves
- Sugar Cubes

#### Activity – Minibeast Hotel

This is a PSHE activity to encourage children to care for the environment and teaches how to care and respect living things.

1. Fill your flower pot with twigs, bark and dried leaves. Make sure you wash your hands afterwards.
2. Find a shady area of the garden to put your flower pot.
3. Position your flower pot and put some small stones around it to stop it falling over or blowing away.
4. Add a couple of sugar cubes to the pot.
5. Peep inside each day to see what creatures have visited your hotel.
