

## Reserching Bees

What you will need;

- A piece of paper
- A pen
- The internet
- Colouring pencils or felt tips

Activity:

1. Did you know there are different types of bees?
2. Use the internet to research the different types of bees there are
3. Make a poster explaining the different types of bees and their jobs in the hive
4. **Challenge:** Can you label the different parts of the bee?

Don't forget to take a picture of your poster and send it to your teacher
