

EYFS/KS1 Home Learning

Spider Print

Activity 2

Things you will need

- Toiler roll inner
- Scissors
- Paint
- Googly eyes
- Coloured pencils
- Plain paper

All equipment can be swapped for something else that is similar based on what you have at home.

Activity

Mini Beasts are a part of our natural world, let's have fun learning all about them!

This activity encourages children to be creative and use materials to learn about mini beasts. Please encourage the pupils to collect their own equipment where possible.

1. Cut the bottom of a toilet roll inner into 8 "legs". These will form the outline of your Spiders.
2. Dip your toilet roll "legs" into some Black paint and print onto a piece of plain paper.

3. Use googly eyes and or coloured pencils to decorate your Spiders anyway you wish to.

4. Can you think of any songs you know about Spiders? What do Spiders eat? How do they make their webs?
