Activity

You have been working so hard to keep yourself, your families and your communities safe. Celebrate your achievements by making a superhero cuff and show off your powers!

This encourages children to be creative and use materials to celebrate them being Heroes and using all their strengths to help keep everyone safe. Please encourage the pupils to collect their own equipment where possible.

1. Cut a section of card to fit around your wrists and cellotape together
2. Use your crafts supplies and pens to decorate your cuff however you would like. You could put a symbol for your favourite cartoon hero e.g. Batman or Spiderman or you could make up your own.

3. Have a chat with your family about your superhero name, what kinds of powers do you have and what costume you wear!
