

EYFS/KS1 Home Learning

Tin Can Alley

Things you will need

- A couple of old tin cans
- A ball/beanbag
- You could paint or stick numbers onto your cans.

Make sure all sharp lids are removed.

All equipment can be swapped for something else that is similar based on what you have at home.

Activity

This activity is to encourage throwing, which helps with sensory needs. Please encourage the pupils to collect their own equipment where possible.

1. Collect some leftover tin cans and make sure an adult has said they are safe to use!
2. You can number the cans if you like.
3. Build your tin can tower.
4. Stand back and throw your ball at the tower to knock it down.
