

EYFS/KS1 Home Learning

What's In the Box?

Things you will need

- A spare box or bag
- Different objects from around your house (preferably different sizes, shapes and textures)
- You can decorate your box if you like!

All equipment can be swapped for something else that is similar based on what you have at home.

Activity

This activity is to encourage the children to use their different senses and helps with sensory input. Please encourage the pupils to collect their own equipment where possible.

1. Get a spare box or bag and make sure you can't see inside it!
2. Get an adult to choose different objects from around your house to put inside your box.
3. Guess what's in the box!
