

KS 2 Home Learning

Arts and Crafts- **Blossom tree printing**

This week we will be completing activities around 'The Great Outdoors'.

Things you will need

- 2 litre plastic bottle (optional, you can also use fingers to create blossom pattern)
- White card / paper
- Paint
- Paintbrush

Activity

This activity is to practice drawing, cutting and fine motor skills. Please encourage the pupils to collect their own equipment where possible.

1. First use brown or black paint to paint some branches for the tree. Leave to dry.
2. Now add some blossom petals to your tree!

Choose a paint colour and carefully dip the bottom of the plastic bottle into the paint. Press the bottle onto the paper to create a blossom pattern.

Alternatively, use your fingers to create the blossom pattern.

Once you have added your blossom petals you will be left with a beautiful blossom tree! 😊
