

KS 2 Home Learning

Arts and Crafts- **Spider printing**

**This week we will be completing activities around 'mini-beasts'.
What creepy crawlies can you find in your garden or park?**

Things you will need

- Kitchen roll / toilet roll tube
- Scissors
- Paint
- Tray / plate for paint
- Paper
- Googly eyes (optional)

Activity

This activity is to practice drawing, cutting and fine motor skills. Please encourage the pupils to collect their own equipment where possible.

1. Cut the bottom of your toilet / kitchen roll to create 8 flaps roughly the same size. (These will be for the legs on your spider)
2. Dip the bottom of the toilet / kitchen roll into black paint, making sure you have got paint on all of the 'spiders legs'.
3. Once you have the outline of your Spiders use googly eyes and pencils to create faces on them. (You can draw the eyes if you don't have googly eyes.)
