

Measuring in Metres

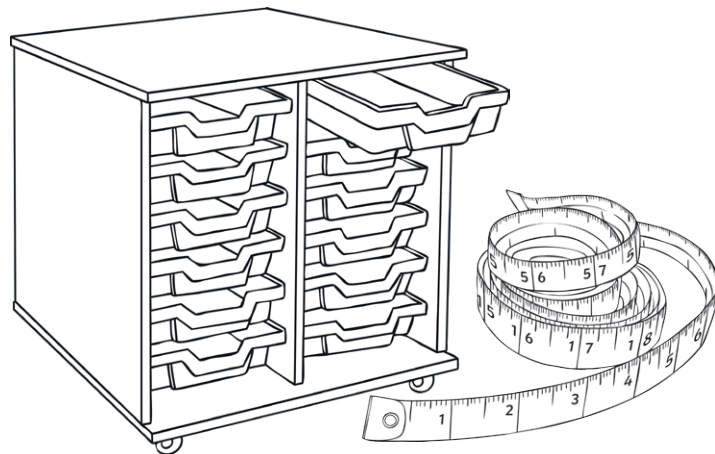

I can estimate and measure length in metres.

Choose objects around the classroom to measure in metres.

Record the measurement to the nearest metre.

What I measured	The tool I used to measure it with	Measurement

Measuring in Metres

I can estimate and measure length in metres.

Choose objects around the classroom to measure in metres.

Record the measurement to the nearest half metre.

What I measured	The tool I used to measure it with	Measurement
