Bees

Web link - <https://education.abc.net.au/minibeast-games/>

In a small group or with your parent/carer explore the body of a bee in this interactive to discover their superpowers. How many eyes do bees have?

Rotate and zoom in on the minibeasts and click on hotspots to learn interesting facts about bees, ants and ladybirds.

Interact with these minibeasts!

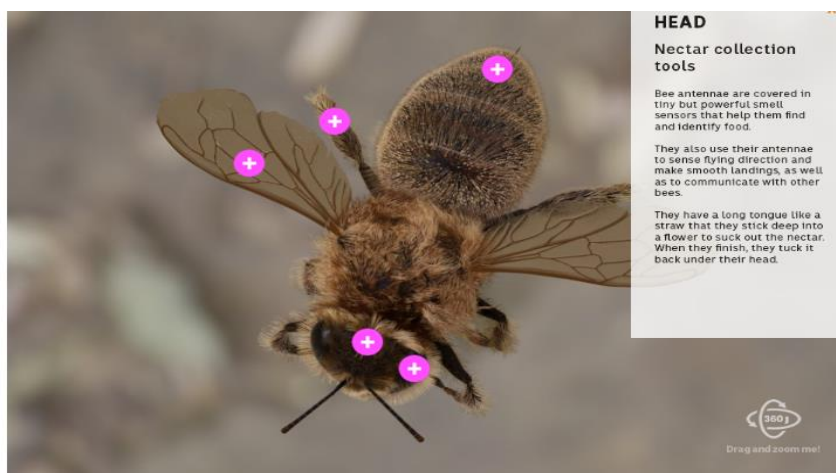

LADYBIRD

ANT

BEE

Activity – In your group create your own queen/king bee, using the facts and pictures you have just seen. Below are some useful questions you may use when creating your queen/king bee.

- Where do I live?
- Do you have family?
- Do I wear a crown?
- How did I become queen/king bee?
- What does the job of queen/king bee mean?
