PSHE Activity 7

Things you will need

A simple and fun activity that doesn't need any equipment other than your imagination!

Activity – “I’m going camping” game.

This is a turn taking game which helps improve memory, concentration and thinking skills.

1. The first player starts the game by saying, “I’m going camping and I’m going to take _____” identify an item you might take. For example, “I’m going camping and I’m going to take a tent.”
2. The second player continues, “I’m going camping and I’m going to take (names the first player’s item) and a ____ (adding a new item to the list).”
3. Players continue taking turns to remember the items purchased in order as the list gets longer and longer. The aim of the game is to think of and remember as many items as possible.

Note to Parents: If needed prompt your child by giving them the first sound in the word or have pictures of items that you may take camping to give them a clue.
