### Camping binoculars

#### Activity 1

##### Things you will need

- 2 empty toilet rolls
- Scissors
- Coloured paper
- Stickers
- Coloured pencils
- Glue
- Sting

All equipment can be swapped for something else that is similar based on what you have at home.

##### Activity

This week's theme is all about camping. Practice your crafting skills to make these camping binoculars to spot interesting things!

Please encourage the pupils to collect their own equipment where possible.

1. Stick together your empty toilet rolls
2. Cover your toilet rolls with coloured paper
3. Decorate your coloured paper with stickers and pencils or anything you have at home
4. Attach some string to make a loop

5. Pretend you are camping in your garden and use your binoculars to find interesting things! Can you see any birds? What can you see in the distance?
