Activity 2

Things you will need

- Coloured paper
- Scissors
- A photograph of yourself

All equipment can be swapped for something else that is similar based on what you have at home.

Activity

This week's theme is all about camping. Practice your crafting skills to make your very own camping scene!

Please encourage the pupils to collect their own equipment where possible.

1. Cut out a triangle shape to form your tent. Draw a line down the centre of your shape and make a small, fold back to make the tent opening.
2. Stick your tent to a piece of coloured card of your choice. You may wish to choose black as it looks like night time but any colour will do.
3. Cut out and stick a photograph of yourself inside your tent.
4. Decorate the rest of your picture with a camping scene. What would you take camping? Will you be in the woods or by the sea?
