

EYFS/KS1 Home Learning

Fine Motor Skills Activity

Things you will need

- Large bowl
- Smaller bowls or cake cases.
- Tweezers
- Beads, pompoms or pasta pieces.
- Small pieces of paper with numbers written on or actual numbers.

Activity

This activity is to practice hand eye coordination and fine motor whilst also developing number value. Please encourage the pupils to collect their own equipment where possible.

1. Look at the picture and ask an adult to help you set it up. Make sure all of the small objects are in the big bowl first.
2. Pick up the tweezers. Your thumb should be on one side of the tweezers and your fingers on the other.
3. Practice squeezing the tweezers together.
4. Using the tweezers try to pick an object out of the big bowl and put it into a smaller bowl.
5. Can you put the correct number of objects into each bowl?
